Corporate Training & Workshop “Valuing Safety in the Workplace”

Introduction

Is Your Workplace Safe? What is the Employer’s Role in Occupational Safety and Health (OSH)? How do we manage Safety at Work, Compliance and Costs of OSH? Is it any easier in these difficult times? How do we measure our efforts to this end? Discover the business metrics, processes and systems that will assist you in executing and monitoring strategic efforts to improve performance management of Safety Policies.

This training and workshop is designed exclusively for financial decision-makers and OSH personnel interested in seeking in improving business performance management of Safety Policies. It will take a look at the various approaches to performance management and illustrate how you can support your business through better decision-making, enhanced operational efficiency, financial reporting and improved revenue management. Using case studies and practical examples, this training and workshop will help you plan and implement an effective Corporate Performance Management (CPM) system.

Supporting Organizations

1. National Institute of Accountants, Australia
2. Malaysian Investors Association
3. Faculty of Economics and Management, Universiti Putra Malaysia

Official Sponsor

1. Ferrovic Corporation (M) Sdn Bhd
2. Bukit Barisan Sdn Bhd
